17th – 18th March – British Schools Championships

24th March – Happidojo Methworld Judo Club Competition

31st March–Sportif International Judo Competition.

Good Luck!

On Sunday 4th January, Tristan, Freddie, Charlie, Izzy, Daniel and Harvey attended the Regional England Development Squad Talent Identification Day. ALL of our players were chosen to continue as part of the development squad.

3rd February was their first official squad training, they were put through their paces tackling 6 intensive hours of randori and judo related exercises, they will continue to train once a month showing their skills in the hope of being selected for the England squad.

"It was the first REDS I have attended, it was very demanding, however the Kangei warriors represented themselves and the club in a way to be proud. They certainly left their mark in a positive way as the head coach enquired as to their names and club" - Steve Barteluk.

Introduction to judo course

Well done and thank you to all those who attended our 1st course, we hope you all enjoyed it and that it was informative. The coaches were very impressed with the effort that everybody put in especially with the physical aspects. Any feedback good or bad would be much appreciated. The information from the day can be provided for you to keep.

Well done Lenny

Coach Lenny stepped up and made his first solo matside coaching debut at the Comberton judo competition. Many of the parents were very impressed with his efforts as they were all commenting on what a brilliant job he did.

Kangei coaches shaping the future

Sensei's Grant, Dan and Steve all travelled to the British Judo centre of excellence in Walsall for a shaping the future seminar with European Judo Unions Hiroshi Katanishi 8th Dan & Yusuke Kanamaru (Japanese 73kg -81kg team coach). Here they gained knowledge and skills to provide a progressive pathway that will take players from beginner through to elite performance.

"I think these types of events are great because no matter what level you get at you never stop learning and its great to learn from people from all different countries especially japan. Its good to see the way they break things down in the most simple effective way that makes it easy to follow" - Dan Allum

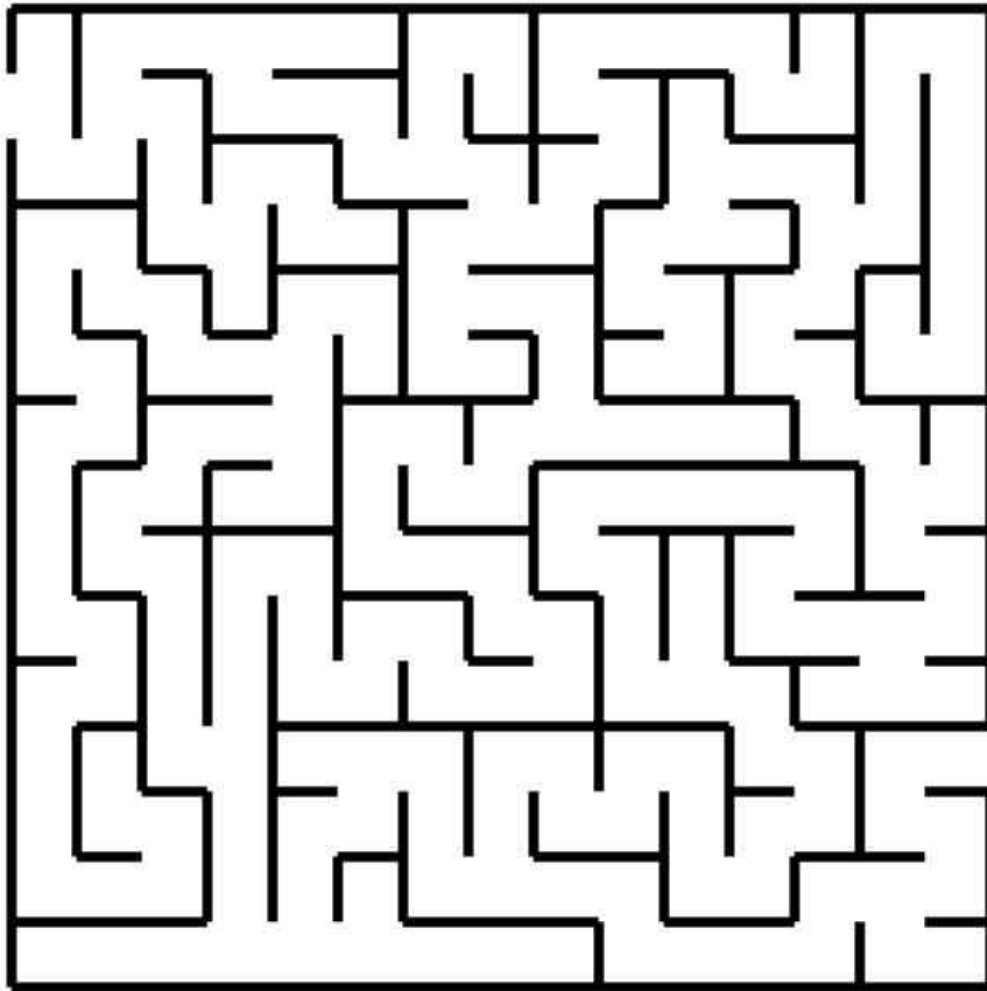

February 18

KANGEI KIDS ZONE

Get Juno through the maze so she can meet Fred and get on the mat.

Fred & Juno

Thanks, Kat and Kev for our names

Fred & Juno

Can you spot 7 differences between these two pictures of Fred and Juno?
